Cookie Policy

We respect the privacy of visitors using https://www.agency.medescare.com/ and associated sites or pages (our "websites"). This cookie policy provides you with clear and comprehensive information about the cookies we use and the purposes for using them.

To review the privacy policy that apply to visitors of our websites, please see our Privacy Policy.

Our websites use cookies, in combination with pixels, local storage objects, and similar devices (collectively, "cookies" unless otherwise noted) to distinguish you from other users of the website.

You do not need to allow cookies to visit most of the websites. However, enabling cookies may allow for a more tailored browsing experience and is required for certain parts of the website to work. In the majority of cases, a cookie does not provide us with any of your personal information.

For further information about this policy, please contact us at privacy@medescare.com.

A cookie is a small file that can be placed on your device. It is sent to your browser and stored on your computer's hard drive or tablet or mobile device. When you visit our sites or apps it can allow us to recognise and remember you.

When you visit our website, the site asks your browser to store a small piece of data (text file) called a cookie on your device in order to remember information about you, such as your language preference or login information. Those cookies are set by us and called first-party cookies. We also use third-party cookies, which are cookies from a domain different than the domain of the website you are visiting.

To find out about specific cookies we use on this site, please see below. We use cookies in a range of ways to improve your experience on our websites, including:

- **Remembering your preferences** such as language and currency
- **Web analytics** Provide anonymous statistics on how our website is used
- **Error management** Help us improve the website by measuring any errors that occur
- **Marketing** Enable us to provide you with enhanced functionality and personalisation

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including strictly necessary cookies), you may not be able to access all or parts of our site.

You can change your cookie preferences when you visit our website by going to the Cookie button at the bottom of this policy.

Please note that internet browsers allow you to change your cookie settings. These settings are usually found in the 'options' or 'preferences' menu of your internet browser. In order to understand these settings, the following links may be helpful. Otherwise, you should use the 'Help' option in your internet browser for more details.

If you wish to withdraw your consent at any time, you will need to delete your cookies using your internet browser settings or clicking on the Cookie button at the bottom of this policy and change your settings.

For further information about deleting or blocking cookies, please visit: http://www.aboutcookies.org/Default.aspx?page=2

Strictly necessary cookies do not require your consent.

For performance, functionality, targeting and social media cookies, we request your consent before placing them on your device. You can give your consent by continuing to use our website, or by clicking on the appropriate button on the banner displayed to you, or by clicking on the Cookie button at the bottom of this

policy. If you do not wish to give consent or wish to withdraw your consent to any performance, functionality, targeting or social media cookies at any time, you will need to delete, and block or disable cookies via your browser settings; see below for more information on how to do this or by changing your settings. Please note that disabling these cookies will affect the functionality of the website and may prevent you from being able to access certain features on the website.

The cookies used on our websites are categorised as follows:

- **Strictly necessary**: These cookies let you move around the website and use essential features like secure areas. Without these cookies, we cannot provide the requested services. We use these strictly necessary cookies to:

  - Identify you as being logged in to the website and to authenticate you
  - Make sure you connect to the right service on the website when we make any changes to the way it works

If you prevent these cookies, we can't guarantee how the website or the security on the website will perform during your visit.

- **Preferences**: Also known as "functionality cookies," these cookies allow a website to remember choices you have made in the past, like what language you prefer, what region you would like weather reports for, or what your username and password are so you can automatically log in. We use preferences cookies to perform:

  - Remembering your preferences such as language and currency

Some of our preferences cookies are managed for us by third parties. However, we don't allow the third party to use the cookies for any purpose other than those listed above.

- **Statistics**: Also known as "performance cookies," these cookies collect information about how you use a website, like which pages you visited, and which links you clicked on. None of this information can be used to identify you. It is all aggregated and, therefore, anonymized. Their sole purpose is to improve website functions. This includes cookies from third-party analytics services as long as the cookies are for the exclusive use of the owner of the website visited. Statistics cookies collect information about how you use our website - e.g. which pages you visit and if you experience any errors. These cookies do not collect any information that could identify you and are only used to help us improve how our website works, understand what interests our users and measure how effective our content is.

- **Marketing**: These cookies track your online activity to help advertisers deliver more relevant advertising or to limit how many times you see an ad. These cookies can share that information with other organizations or advertisers. These are persistent cookies and almost always of third-party provenance. We use marketing cookies to enable us to provide you with enhanced functionality and personalisation. These cookies may be set by third party providers whose services we have added to our pages. If you do not add these cookies, then some of these services may not function properly.

Some cookies may fulfil more than one of these purposes.
